

POST ADOPTION SERVICES AGREEMENT

I understand that as the Requester of the above requested services I am expected to pay for the service requested unless a privately negotiated payment agreement is agreed upon with the other party. I also understand that all fees cover partial costs of rendering the requested post adoption services to the Requester of these services. New Life Family Services believes in providing excellent post adoption services and will not deny service based on inability to pay for requested service. New Life Family Services does, however, rely on financial donations to continue to offer and provide services. New Life Family Services encourages the Requester of the above requested services to consider the payment of these services as an investment in your future as well as a support to this ministry.

If requesting a fee reduction for post adoption services, please submit a written statement indicating the amount you are able to pay.
