Customize your web page by uploading a photo of yourself or your team, add a personalized message, and set your fundraising goal. Aim to raise at least \$100 to earn your free Walk t-shirt!

Once your fundraising page is complete, share your page with as many people as possible through email and watch the donations pour in. Online sponsors have the option to pay immediately via credit card, mail in their donation, or choose to be billed following the Walk & Run for Life (New Life will bill for you).

Don't worry - it's easy and takes just a few minutes to set up.
