

Be the **ONE.**

**Three years ago New Life took a step.** A big step. And you, boldly, stepped with us. With a God given vision and a well-laid out plan, our goal was to double the number of clients reached and lives saved from abortion, each year, by 2015. This plan became known as Vision 2015.

The journey has been an amazing opportunity to learn, trust, and be witness to God's incredible work. We are seeing the prayers for Vision 2015 come to fruition and you are an integral part.

Thousands of lives have already been impacted and thousands more are waiting. You hold the power to offer extraordinary hope.

Be the one to inspire transformation.  
Be the one to make a difference.  
Be the one to change a life.

A SPECIAL THANK YOU TO OUR SPONSORS:

ANNUAL  
FUNDRAISING BANQUET  
& SILENT AUCTION

Benefiting New Life Family Services

KEYNOTE SPEAKER  
**SHAWN CARNEY**

As one of the youngest and most sought-after, dynamic speakers in America, Shawn co-led the first-ever 40 Days for Life campaign in 2004. This breakthrough initiative dropped local Texas abortion numbers by 28%.

Shawn expanded the initiative to be a national and then international movement, which has been held in 579 cities in all 50 states and 30 countries.

As of today, 40 Days for Life has confirmed reports of 10,331 mothers choosing life, 60 abortion facilities closing, and 118 abortion center workers who have had conversions and left their jobs, including former Planned Parenthood director, Abby Johnson who walked into Shawn's office just next door to her abortion facility.
