Student Advisory Board Internship

New Life Family Services is starting a Student Advisory Board and is looking for 10-15 responsible, committed, and passionate students to launch this board. Students must be ages 18-22.

During the one-year commitment, students will meet monthly with staff from New Life Family Services, to focus on client marketing, non-profit management, and fundraising. They will have the opportunity to create advertisements in addition to planning and executing their own fundraising event to support clients of New Life Family Services' pregnancy center, First Care Pregnancy Center. In addition, this advisory board will support the center's major events during the year.

Applications will be taken through April 1st, 2018, and interviews will take place the first two weeks in April on area college campuses. The Student Advisory Board members will be announced by the 1st of May.

This is a great opportunity for students to learn about what happens behind the scenes of a non-profit. Students will gain valuable marketing and event experience, and volunteer/internship hours.

Students who are interested should contact Jessica Shoen for an application:
schoen.jessica@nlfs.org.
