

GALA FAQs

1. Is there a fee to attend this year's event?

Due to the uncertainty of COVID-19 and the restrictions of the event, we have decided to forgo the registration fee this year and are hoping to cover our costs through underwriting.

2. Are masks required?

Yes, masks will be required in the common spaces of the hotel, but once you are at your table, you will not be required to wear one.

3. How will registration work?

RSVP at www.nlfs.org/events. On the registration form, first choose "individual" or "host" then choose whether you will attend virtually or in-person. If you wish to host a table and invite friends, please register as a table host which will allow you to add guests to your party. Prior to the event, virtual guests will be sent a link to watch the live stream program portion of the event. In-person guests will be sent your table number by email the week of the event in order to eliminate check-in lines at the event. No walk up registrations will be allowed this year, however there will be a waitlist should capacity restrictions change.

4. Will I be seated with people outside my party?

During online registration, you will have the option to select whether you are comfortable being seated with people outside of your party or not.
