

DO YOU SEE **THIS WOMAN?**

In Luke 7, Jesus asks an operative question to the religious leaders of his day - “Do you see this woman?”

For almost 50 years, New Life Family Services has been on a mission to *really* see - every woman, every child (born and unborn), every family who walks through our doors – with Jesus’ eyes.

No matter the circumstance, we believe each person should have the ability to receive physical, emotional, and spiritual support as they face pregnancy-related situations. We seek to walk like Jesus would beside each person, offering them love and practical support, helping them make informed and educated decisions in their time of need.

It is through this holistic approach to pro-life work that we are seeing God change hearts, save lives, build families, and restore hope.

Join us as we answer the question “Do you see this woman?” with a resounding **“YES!”**
