

FAQ

IS A VIRTUAL OPTION AVAILABLE?

Yes. We will be livestreaming the Twin Cities program on Friday, October 29th. Regardless of your location, we encourage your attendance virtually at that time. The livestream will begin at 7:00 pm via our events page. You will receive a link prior to the event to the email you have registered with.

ARE MASKS REQUIRED?

There is no mask requirement at either gala venue, therefore, we will not be requiring masks at this time.

IS THERE A FEE TO ATTEND THIS YEAR'S EVENT?

There is no registration fee for this year's gala. We hope to cover the costs of the evening through underwriting. If you would like to underwrite the event, we invite you to do this via the event page.

HOW WILL REGISTRATION WORK?

Please RSVP via our event page or at nlfs.com/events. Then indicate whether you will attend virtually or in person on the form. If you wish to host a table and invite friends, please check the box "I would like to be a table host", which will allow you to add guests to your party. Prior to the event, virtual guests will be sent a link to watch the livestream program portion of the event in order to eliminate check-in lines at the event. No walk up registrations will be allowed this year.

WILL I BE SEATED WITH PEOPLE OUTSIDE OF MY PARTY?

If you would like to make any seating requests or you would like us to make note of any additional covid-19 precautions you are taking, please make note of this on your RSVP and we will be more than happy to accommodate your request.
