

IMAGO DEI

*So God created mankind in his own image,
in the image of God he created them;
male and female he created them.*

Genesis 1:27

Although our world is not as it was in the garden, the truth about how and why humans were created remains unchanging. Every woman, man, and child (both born and unborn) is created **imago Dei**, in the image of God, created to reflect Christ's glory and endowed with purpose, dignity, and beauty.

This is why we care about life.

For 50 years, this truth has motivated New Life Family Services in our mission to honor the sanctity of human life by providing compassionate, holistic support to women, men, and families.

We long for a world in which all mothers, fathers, and children know that they are valuable and created in the image of God. Join us as we work towards creating a culture that not only supports life, but supports it abundantly.

HEAL

1 in 4 women have had an abortion by the age of 45. As we believe that Christ is near to those experiencing an unplanned pregnancy, we believe that he is the only one who can heal and restore those who have had an abortion. Our Conquerors program is designed to **restore hope** to those who are hurting from past abortions by sharing the love and compassion of Christ.
