CHANGING HEARTS • SAVING LIVES • BUILDING FAMILIES • RESTORING HOPE

ONE MISSION

Our Mission is to honor the sanctity of human life by assisting clients in life-affirming decisions with the love and compassion of Christ.

Our vision is to one day reach all abortion-minded and abortion-vulnerable individuals throughout Minnesota with comprehensive pregnancy-related services and the message of the Gospel of Jesus Christ.

NEW LIFE IS

NATIONALLY UNIQUE

New Life is one of the few pregnancy centers in America, and the only one in Minnesota that incorporates pregnancy and parenting support services as well as licensed adoption services.

THE STATE LEADER

New Life is the largest pregnancy center operating as one organization in Minnesota. We serve over 6,000 men, women, and children every year.

QUALIFIED TO LEAD

Our services are provided by educated and trained licensed social workers, which is unique among pregnancy centers. This allows us to handle crises, emergencies, and hardships with special care to empower and support our clients. Our medical services are provided by licensed MD's and RN's under the direction of our Medical Director.

COMMITTED TO SERVE WITH LOVE

New Life firmly believes our role is to share the love of Christ with all those who walk through our doors. While providing pregnancy-related services, we also seek to care for our clients beyond their physical needs by sharing the Gospel of Jesus Christ.

THREE PROGRAMS

At New Life Family Services, we believe each person should have the ability to receive physical, emotional, and spiritual support as they face pregnancy-related situations and circumstances.

We walk beside each client offering them love and support to make informed and educated decisions in their time of crisis and need. It is through this care that we are seeing God change hearts, save lives, build families, and restore hope.

New Life Family Services is licensed to provide full and limited domestic infant adoption services for both birth parents and adoptive families.
