

“COME TO ME,
ALL YOU WHO ARE WEARY AND
BURDENED, AND I WILL GIVE YOU REST.”

MATTHEW 11:28

At New Life Family Services, we witness the power of this invitation every day. As we come alongside those facing unplanned pregnancies, parenting challenges, or pain from a past abortion, our desire is to offer compassionate care and tangible hope that point each person to the ultimate source of rest—Jesus.

NEW LIFE FAMILY SERVICES

Exists to share the love and compassion of Christ by walking alongside women, men, and families facing unplanned pregnancies and related challenges. Through six locations and three core programs, New Life offers licensed adoption services, comprehensive pregnancy and parenting support, and Conquerors, a recovery program for those seeking healing from a past abortion. By providing compassionate care and practical resources, New Life empowers individuals and families to not only choose life but to thrive.
